

Big Band Blowout Concert Program

Jazz Families,

You are invited to purchase a Personal Message Ad in our Big Band Blowout concert program. Our personal ads can fit budgets large and small, vary in size from 1/4 page to full page, and give family and friends a chance to personalize a heartfelt message to your student.

Message Ads are personalized by you! Most personal messages are simple words of encouragement or congratulations with a photo. Your ad should be complete and finalized in PDF format. To ensure image quality, start with photos 300 dpi or better. No MS Word files please. Email completed artwork to: bigbandblowout@ehseu.org.

Our Big Band Blowout program also offers Shout-Outs! Tell your student, "Cathy—You're the best sax player ever! Love, Mom." Shout-Outs should be about 75-100 characters. Letters, symbols, like hearts, stars, etc., and any spaces count as one character. Punctuation counts as one character. (Note: EEU reserves the right not to accept ads it deems inappropriate.)

We hope each jazz family would include a personalized message for each student.

If you have any questions, contact me at: bigbandblowout@ehseu.org.

Thank you!

Cheryl Bridges
