All students must have a CURRENT ORIGINAL PHYSICAL on file with the EHS Athletics Office to participate in any of the summer camps. Take care of yours early and support Esperanza Athletics!

Physicals are good for 365 days. Go to [www.esperanzahs.net](http://www.esperanzahs.net), under the Athletics tab to print out the PYLUSD physical form. Parents MUST fill out the top portion and sign it. Also, make sure to attach a copy of the front and back of the health insurance card along with the form.

## SUMMER CAMP INFORMATION!

Camp program information and registration will be available sometime in May (to be determined) under the Athletics tab > Summer Sports Camps. You must also register on [www.AthleticClearance.com](http://www.AthleticClearance.com) for both the sports camps and the new school year in order to participate. Please register before summer camp begins in order to be cleared in a timely manner.
